

John Javier Stark

Tampa, FL 33613 | johnstark1@usf.edu | (210) 730-8619 | www.linkedin.com/in/john-stark1

PROFESSIONAL SUMMARY

Certified Clinical Medical Assistant (CCMA) and pre-medical student with direct, multi-specialty clinical experience across dermatology, optometry, orthopedic surgery, and oncology research. Proven ability to manage patient intake, clinical documentation, EHR updates, and procedure support in fast-paced outpatient environments.

EDUCATION

University of South Florida

Bachelor of Science in Biomedical Sciences, Pre-Medicine; Minor in Entrepreneurship and Innovation. Men's Soccer Practice Player, USF Athletics. GPA: 3.85.

Tampa, FL

Jun 2024 - Present

U.S. Career Institute

Certified Clinical Medical Assistant (CCMA).

Feb 2025 - May 2025

EXPERIENCE

Medical Assistant

Dec 2025 – May 2026

OnSpot Dermatology

- Supported dermatology providers with patient intake, biopsies, excisions, and Mohs procedures while maintaining accurate clinical documentation across multiple outpatient clinic locations throughout the Tampa region.
- Performed clinical scribing, specimen handling, and workflow coordination across a high-volume caseload of approximately 20 patients per day to ensure efficient, high-quality patient care delivery.

Orthopedic Surgery Intern

May 2025 – Jul 2025

Methodist Children's Hospital

- Scrubbed into pediatric orthopedic and spine surgeries in a first-assist capacity under attending supervision, supporting exposure, retraction, and instrumentation.
- Conducted patient intake, assisted with evaluations and cast molding/removal, and prepared patients for operative and follow-up care in a high-volume clinical environment.

Medical Assistant

May 2025 – Jun 2025

Dr. Sebi Chung Optometry

- Managed patient intake, insurance verification, appointment coordination, and EHR updates to ensure smooth front- and back-office outpatient clinic operations.
- Performed preliminary ophthalmic testing and imaging, including tonometry, retinal imaging, and eyewear strength verification, and prepared and documented charts for the optometrist.

Research Assistant

Aug 2025 – Dec 2025

University of South Florida Morsani College of Medicine

- Recruited, screened, and consented patients across neurology, ENT, and internal medicine clinics for an NIH-funded Bridge2AI study, coordinating visits through EPIC and ensuring ethical and protocol compliance.
- Conducted structured voice and survey data collection using iPad-based platforms, supporting high-quality dataset development for AI-driven healthcare research.

Cancer Research Intern

Jan 2025 – May 2025

Moffitt Cancer Center

- Conducted detailed retrospective chart reviews for Cutaneous T-Cell Lymphoma studies, extracting medication histories, treatment timelines, and indications across 1,000+ patients.
- Organized and curated complex longitudinal oncology datasets to support analyses of treatment outcomes and racial disparities, maintaining high data accuracy and integrity.

PROJECTS

Bridge2AI-Voice Pediatric Dataset

USF Morsani College of Medicine

- Contributed to collection and curation of diverse pediatric voice data for AI-driven health research.

Bridge2AI-Voice: Ethnically Diverse Dataset Linked to Health Information

USF Morsani College of Medicine

- Supported development of a multimodal dataset linking voice, clinical, and demographic data.

STAT3 and STAT5 in Acute Lung Injury

University of South Florida

- Synthesizing current literature and drafting a manuscript on inflammatory signaling and tissue regeneration.

Evaluating Outcome and Biological Differences in Cutaneous T-Cell Lymphoma Across Racial Groups

Moffitt Cancer Center

- Conducted extensive retrospective chart reviews of CTCL patients across all age groups to support analysis of racial outcome disparities.

ACTIVITIES & LEADERSHIP

Everything Orthopedics @ USF

President and Founder

- Founded and lead an orthopedic-focused pre-health organization of 20+ members, organizing speaker events and clinical shadowing opportunities.

USF Athletics — Men's Soccer

Practice Player

- Compete at NCAA Division I level practices.

MediFutures USF

Social Media Ambassador

- Create content and manage social media operations for a 2,000+ follower account.

CERTIFICATIONS

- Certified Clinical Medical Assistant (CCMA), U.S. Career Institute — Issued Jun 2025
- Basic Life Support (BLS), American Heart Association — Expires Jul 2027
