Experience

Health and Safety Officer

Pi Kappa Alpha Fraternity, Zeta Pi Chapter — University of South Florida

Spring 2026 – Present

- Promote health, safety, and risk management practices within the fraternity chapter.
- Help ensure members follow safety expectations during chapter events and activities.
- Support emergency preparedness and encourage responsible decision-making among members.
- Communicate safety-related expectations clearly to chapter members.

Intern — Medical Education

Arthrex — Naples, FL

May 2025 – August 2025

- Participated in hands-on medical education programs focused on surgical techniques and biomedical technology.
- Gained exposure to healthcare professionals, medical training environments, and medical device education.
- Developed a stronger understanding of patient care, anatomy, and surgical procedures.
- Observed the importance of precision, communication, and safety in medical education settings.

Lifeguard/Customer Service Representative

Goldfish Swim School — Naples, FL

June 2021 – December 2023

- Ensured the safety of patrons in and around the pool area.
- Responded quickly and appropriately to emergencies when needed.
- Maintained CPR and First Aid certifications through annual recertifications.
- Monitored swimmers, enforced safety rules, and helped create a safe environment for children and families.
- Demonstrated responsibility, alertness, and strong communication skills in a fast-paced environment.
